

## SABG Bulb & Seed Exchange 2023

Below are listed all bulb and seed donations, including items promised to be available shortly. As always, our members have once again been very generous with their surplus material and time, but most members lost plants last winter, and many seeds and bulbs/corms are in extremely short supply. Whilst we will try to fulfil all requests, it is hard to split a single bulb six different ways.

### Naming

Species are listed below using the names provided by the donors. In a few cases, the spelling of names has been corrected, but as a voluntary organisation with limited resources, please bear in mind that we are not able to check the accuracy of these identifications. I have included *Polyxena* within *Lachenalia*.

**Empodium.** Plants we have previously grown as *E. flexile* or *E. namaquensis* are now ***E. elongatum***. Plants we have previously grown as *E. plicatum* are now ***E. flexile***. I hope you will all change your labels, otherwise it will be very confusing in future years when I receive material labelled *E. flexile*. For clarity I have noted the former names on the list.

### Ordering

On receipt of the list, please send your wishlist to me, Jon Evans, 46 Upper Way, Farnham, Surrey, GU9 8RF, UK, or to [jonevans46.uw@btinternet.com](mailto:jonevans46.uw@btinternet.com). I will acknowledge every email request I receive, usually within 24 hours, so if you don't receive a response, please try again, and copy in the secretary, Richard White ([richard@sabg.uk](mailto:richard@sabg.uk)) – your request may have vanished into the ether. Please try to get your requests back to me **by 30<sup>th</sup> August**, as I will start dispatching items in early September.

- There is no limit to how many items you may request. But please mark up to **ten** first choices. I will try to satisfy everyone's first choices before looking at additional items requested.
- Please order by using the numbers alongside the descriptions.
- If you want a particular species but don't care which donation, just give the name of the plant and 'Bulb' or 'Seed'.
- Remember to add your **postal address**.

If you have not donated bulbs or seed, the Committee expects you to make a donation to cover the cost of postage and packing. The following table suggests minimum amounts:

Order	Minimum
• seed only	£2.50
• < 10 items	£2.50
• 10-50 items	£6.00
• > 50 items	£10.00

No large bulbs eg Nerine, Veltheimia

You can send cheques drawn on a UK bank or UK postal orders payable to "SABG", or make a bank transfer to 'Southern African Bulb Group', sort code 60-01-31, account number 59755709. In the latter case, specify your name as the reference so that we know who it's from. Please don't send postage stamps.

## Paypal

We cannot directly accept credit or debit card payments, but if you have a PayPal account you can pay that way. Overseas members may find this helpful.

To use PayPal, log into your PayPal account using a Web browser or the PayPal mobile app, click on "Send" (or "Send & Request", then "Send Money") and enter the address `pay@sabg.uk` or the user name `@paysabg` into the box. You should see the SABG Lachenalia logo and "Southern African Bulb Group", and a space to enter the amount to pay, in (GBP). You may only be able to enter digits for the pounds and pence, not a period ".", so watch carefully where the decimal point appears as you type!

Please add a brief note describing what the payment is for, e.g. 'Exchange 2023'. Include your name if your PayPal account uses a name which we might not recognise. Select or accept "**Paying for an item or service**". If it says "Sending to a friend or to family", click on "Change" and select "Paying for an item or service". A "shipping address" may be shown, but I won't see this, so make sure you sent me your postal address with your order. Click on "Send money now".

## Overseas Members

We are only able to send material to overseas members in ways complying with their government's regulations (i.e. no mis-labelling of contents etc), and only when conforming with those regulations is neither too onerous, nor expensive (e.g. we cannot issue Phytosanitary certificates etc). We expect the relevant member to be able to guide us in following their government's requirements. Although we'll do our best to comply with the regulations where possible, we cannot be held responsible for any bulbs or seeds which are confiscated.

A Phytosanitary certificate is now required to send packages to the EU, and to Australia. This would be a difficult and expensive administrative burden, and we regret that as a result we are unable to send bulbs or seeds to EU or Australian addresses at this time.

## Donors

Donors' initials are shown against each description, as follows:

<b>AMo</b>	Allan Morgan	<b>HM</b>	Helen Mount	<b>MW</b>	Mark Wessels
<b>AM</b>	Anthony Murphy	<b>HS</b>	Hamish Sinclair	<b>NH</b>	Neil Hubbard
<b>AT</b>	Aiko Talens	<b>JB</b>	Jackie Bannister	<b>PC</b>	Paul Cumbleton
<b>BH</b>	Barry Hennessey	<b>JE</b>	Jon Evans	<b>PF</b>	Paul Flowers
<b>BM</b>	Barry Maslin	<b>JH</b>	Jonny Hartnell	<b>PK</b>	Peter Kohn
<b>CG</b>	Carl Garnham	<b>JL</b>	John Lee	<b>RC</b>	Robert Counsell
<b>CS</b>	Colin Sykes	<b>JS</b>	Jeremy Spon	<b>RM</b>	Ralph Martin
<b>DC</b>	David Carver	<b>MB</b>	Mick Bailey	<b>TG</b>	Tony Goode
<b>GE</b>	George Elder	<b>MWa</b>	Maciej Waclawski	<b>WR</b>	Will Rook

The Source column in the following tables gives the original source of the material as given by the donor. Any other information provided by the donor is shown in the Notes column.
