

## **Distribution of Terry Smale's bulbs**

You will have read in the Newsletter the very sad news that Terry Smale, one of our leading members, died suddenly this spring. In the last month I have had the sad task of helping his wife Jennifer sort out his collection of South African bulbs. I would like to thank Jennifer for giving the bulbs to the group, and Alice Vanden Bon for her help in collecting and cleaning them.

Some of the bulbs are summer-growing, and are in active growth. We do not propose to distribute these at the moment. Depending on their state in August, they will appear either in the main distribution in August/September, or in pots at the October meeting.

Many other species are available in extremely small numbers – often single bulbs. We have therefore decided to issue two separate lists:

1. **Items available in very small numbers.** Members may send a list of 5 wishes from this list, more in hope than expectation. We will try to randomise who gets what within those that wished for it, whilst trying to make sure as many people as possible get at least one item.
2. **Main list** (note that most of these are also restricted in number). Members may send 5 first choices and up to 15 second choices from this list. We will try to satisfy as many first choices as possible before turning to the second choices.

On receipt of the list, please send your wishlist to me, Jon Evans, 46 Upper Way, Farnham, Surrey, GU9 8RF, UK, or to [jonevans46.uw@btinternet.com](mailto:jonevans46.uw@btinternet.com).

- We regret that this material is available to UK members only
- Please send **five** wishes from the first list.
- Please send **five** first choices and fifteen second choices from the main list.
- Requests must be made by **24<sup>th</sup> June**.
- Please order by using the numbers alongside the descriptions.
- If you want a particular species but don't care which accession, just give the name of the plant.
- Remember to add your **postal address**.
- Please make a **donation of at least £5.00** to cover the cost of postage and packing. Any surplus we make on this distribution will be returned to Jennifer Smale for a charity of her choice.

You can send a cheque or postal order, payable to "Southern African Bulb Group", or make a bank transfer to Southern African Bulb Group, sort code 60-01-31, account number 59755709. In the latter case, specify your name as the reference so that we know who the payment is from. You may also pay via PayPal. We are charged a fee by PayPal, so use the methods above if you can.

### **Paypal**

To use PayPal, log into your own PayPal account using a Web browser or the PayPal mobile app, click on "Send" (or "Send & Request", then "Send Money") and enter the address [pay@sabg.tk](mailto:pay@sabg.tk) in the box. Alternatively, you can type [paypal.me/paysabg](https://paypal.me/paysabg) into your Web browser's location bar (not the Search box), but you will be asked to log into your PayPal account anyway if you haven't done so already.

You will then see a page displaying the SABG Lachenalia logo and "Southern African Bulb Group", followed by a box to enter the amount to pay, in (GBP). You can only enter digits for the pounds and pence, not a period ".", so watch carefully where the decimal point appears as you type!

Please add a brief note describing what the payment is for, e.g. Terry Smale bulb donation. Include your name if your PayPal account uses a name which we might not recognise. Select or accept "Paying for an item or service". If it says "Sending to a friend or to family", click on "Change" and select "Paying for an item or service". A "shipping address" may be shown, but I won't see this, so make sure you sent me your postal address with your order. Click on "Send money now".

The Source column in the following tables gives the original source of the material as given by the donor. Any other information provided by the donor is shown in the Notes column.

## Items in Short Supply

No.	Genus	Species	Coll No.	Source	Notes
