

Spring 2021 meeting (Zoom)

On Sunday 28th March 2021 we have arranged a virtual meeting at 1:30 for 2pm using the Zoom online video-conferencing software. This should allow anyone with a computer, laptop, tablet or smart-phone to participate. An Internet connection will be required (which you presumably have if you are reading this!) and preferably also a microphone and video-camera (often combined and sometimes called a webcam) if you wish to say something. These are built into smartphones, most tablets and many laptops, and can be plugged into desktop computers.

Jon Evans will show the second part of his talk on “**Plants seen at AGS shows**” for our Zoom meeting at 2pm. This will be a chance for all those members who can't normally travel to our meetings in person to join in. Jon gave us the first part of his talk at our last physical meeting on 6 October 2019 in Winchester. We will email details of the link to join the talk nearer the time.

⚠ Our Zoom meeting is at 14:00, on the day the UK moves to British Summer Time (BST, daylight saving), one hour ahead of GMT/UTC. You might miss it if you are a member in the UK or most other European countries and forget to change your watch or clocks, or if you are a member in another country whose time does not change at the same time as ours (e.g. USA, Canada, Australia, etc.) You can see the current time in the UK here: <https://www.timeanddate.com/worldclock/uk/london>

Autumn 2021 meeting

For the time being, face-to-face meetings have been **suspended**. Recent meetings have been at our usual meeting place, Badger Farm Community Centre, Winchester, and the following information is given in the hope that we will be able to resume meeting in autumn 2021, but a decision on this cannot be taken yet.

All who are interested in growing these plants will be welcome. Doors open at 10:00 a.m. and the meeting will finish at approximately 2:30 p.m. There is an entry fee of £3.00, but parking is free. There will as usual be a plant display table, plant sales (a good reason to arrive soon after 10:00!), and tea and coffee with biscuits. There will also be a few books for sale. You are encouraged to bring along any plants you wish to display or sell, or digital photos to share with the audience. Bring your own lunch.

The timetable we plan is as follows:

10am	Doors open for Plant Sales. Tea/coffee available
11am - 12.00	Talk by invited speaker
12.00 - 1 pm	Lunch
1pm - 2pm	Talk by member
2pm - 2.30pm	Winding up

More details of our meetings are given on the [meetings page](#).

Directions to the meeting hall

Our next meeting is at Hale Institute Village Hall, Farnham, Surrey, **not** at Badger Farm, Winchester.

Hale Institute Village Hall, Farnham

[Directions for meetings at Hale Institute Village Hall, Farnham, Surrey \(U.K.\)](#)

Bring your own lunch.

Badger Farm Community Centre, Winchester

[Directions for meetings at Badger Farm Community Centre, Winchester, Hampshire SO22 4QB \(U.K.\)](#)

Bring your own lunch, or buy something at Sainsbury's next door.

Future meetings

In addition to the next SABG meeting described above, the following events are planned:

- **Saturday 10th October 2020:** *Nerine* Visit Day, Five Arrows Gallery, Exbury. This visit is for NAAS members ONLY and social distancing measures will be in place. The gate will open at 10am for an 11am start. Please book by email to nerinesociety@gmail.com (*In normal times, SABG members are invited to the Exbury Nerine Visit Day organised by the [Nerine and Amaryllid Society](#) at the Five Arrows gallery, Exbury House gardens, Exbury, Southampton SO45 1AX, by kind invitation of Nicholas de Rothschild and Theo Herselman.*) For this (and other NAAS events) see the [NAAS events page](#) and please inform Theo or the NAAS Secretary Alison Corley [alison.corley@btinternet.com] if you wish to attend.
- **Sunday 3rd October 2021:** The Autumn 2021 SABG meeting, details to follow.
